

HSA WORK BOND UPDATE - 12/20/21 - PLEASE READ!

Hello Parents! The following are changes to the current work bond. The changes are a **REDUCTION** in shifts (yay!!!) for the number of Bingos/Others.

Each family is now asked to complete **TWO** BINGOS and **THREE** OTHERS. All other items remain the same.

If you **have already** completed more than THREE others, we will simply give you credit as a bingo shift. (ex: Family has completed 4 others = credit for 3 others and 1 bingo).

IMPORTANT: if you are signed up for more bingo shifts than you need to complete, please remove yourself from the signup so that other families may sign up. We are asking that you remove the extra spot(s) **ASAP**, as Bingo is scheduled to begin January 2nd and we need to provide the names of workers to the bingo captains. Do not sign up for more than TWO bingos.

April, May, and June bingo shifts will be posted by January 31st.

Lastly, about 20 families still need to purchase their calendar raffles. This is a **mandatory** work bond item and can be purchased by stopping by the parish office (call for times as they vary due to the Holidays) or stopping by the school gym on January 1st for New Year's Day Bingo. Raffles **CANNOT** be sold after January 1st as per our license! \$20 cash or check gets you 26 chances to win \$100 per week from January 2nd -June 26th!

Please text/call **STACEY McGRANE (732-309-3306)** if you have any questions regarding your work bond status.

Have a wonderful Christmas and a Happy New Year!
May God Bless all of our families!

Please note - this is a reduction for the 21-22 school year only
