"Let us remember: One book, one pen, one child, and one teacher can change the world."

March 15, 2018

Dear St. Stan's Families:

Each day as our teachers walk in this building they see that quote in the faculty room, so they can begin their day emboldened to be the catalyst to that change. As we proceed towards Easter we are all working on changing ourselves as we open our hearts to bring Christ closer to us.

In April after the Easter break we will begin our standardized testing for the school year. The Diocese of Metuchen has switched the provider from Terra Nova to the Iowa Assessment. We have the opportunity to spread the testing out a little more than we did with the Iowa so we are sure the students will not feel overwhelmed by taking these tests. The tests are given in grades one through eight. As the dates approach more information will be sent out.

Please remember due to the use of snow days we will be in session on Thursday, March 29th for a half day session. There will be NO after care that day. Our Easter break will begin March 30th and we will return to school on April 9th. I would like to remind everyone to please send in their re-registration forms by Monday, March 26th (after the 26th late fee will apply) and if you are unsure about re-registering please come to see me so we can sit down and discuss different options.

The marking period ends on April 13th. Students who are struggling were sent home progress reports yesterday. If you received one and there was a note to contact me please do so as soon as possible. As always my door is always open.

In His Peace,
Elena Malinconico
Principal
