What
ARE You
Thankful?
for?

November 16, 2017

Dear St. Stan's Families:

As Thanksgiving approaches, I seriously contemplate this question and I ask that our students do as well. The list of what I am thankful is endless; my children, my family, the fact I have a roof over my head, food on my table and clothes on my back; these are the basics which I realize so many people go without. But as I dig deeper I am deeply thankful for the family I have here at St. Stan's. This family brings me joy, challenges me and certainly expresses love for me and I am truly thankful for all of it. Please know that the feeling is mutual and my prayers for you are daily.

Next week is short but jam packed with so much! Monday, Lifetouch will be here for retakes of individual pictures, class pictures, and club pictures. Please make sure that your child wears their winter uniform to school that day and if your child is a member of St. Stan's AA brings their T-shirt, basketball uniform or cheer uniform to change into. Wednesday, we will celebrate our Benefactors Mass and luncheon as a way of expressing our gratitude to those people who give so much to make our school so vibrant. Please note that Wednesday is an early dismissal and there is NO aftercare.

Just a couple of notes, on November 28th at 6:30pm we will be holding a meeting about our spring 2019 European trip to Germany, Switzerland and Austria. This educational event is one I strongly suggest families in grades four through eight come and hear about!! Don't forget December 3rd is our Christmas Bazaar. Your volunteering at this event is crucial to our success in raising funds for our students and greatly appreciated.

May your Thanksgiving be blessed with love, peace and abundance.

In His Peace,

Elena Malinconico, Principal
