"The best and most beautiful things in the world cannot be seen or even touched...they must be felt with the heart."

May 23, 2019

Dear St. Stan's Families:

As we come towards, Memorial Day, I ask each of us to take a moment and feel with our heart the ultimate sacrifices that were made by our service men and women to protect our country and our rights. Our celebration of Memorial Day falls on Monday, there is no school and I hope that each of you can spend time with family and friends and take a moment to remember our fallen heroes. Please be advised that Friday there will be an early dismissal and there is aftercare available.

Next week is a shortened week but it is chock full of events. Tuesday through Friday is our 8th grade's final exam week. On Thursday, we will be at Mass celebrating Ascension Thursday and the first time our second graders will join us in the Eucharist at a school Mass.

I ask you to join us on **Friday, May 31st at 1pm for our Instrumental Music** program's concert. Our students have worked so hard preparing for this and it is sure to be as delightful as last year's performance.

A reminder that on June 3rd all language selections for the 2019-2020 school year need to be made. If we do not receive paperwork from you; your child will automatically be enrolled in Spanish.

One last item, there was a mix up on the lunch calendar for June. Please be advised that there is a full day of school on June 5th and a half day on June 11th. The reverse was shown on the lunch calendar. If your child ordered lunch on June 11th they will receive that lunch on June 5th. Preschool and kindergarten students should bring lunch to school on June 5th; since they would not have ordered lunch for June 11th.

In His Peace,

Elena Malinconico  
Principal
