Dear Parents,

You will find an important letter from me in the digital version as well as a hard copy in the white envelope being sent home today. Please be sure to read it carefully.

I would like to remind you that Lent will begin next Wednesday, March 5th and the students will attend the 9:00AM mass which the 6th grade class will serve in various capacities. In addition, the fifth grade class will plan and serve at our First Friday Mass, March 7th.

Also, please remember that the students will be taking the Terra Nova tests the week of March 10th.

I will be sending home nomination forms for various HSA positions in next week’s envelope. Please seriously consider serving in some capacity as we need your help and ideas so that St. Stan’s can continue to flourish.

Finally, there have been two necessary changes in our calendar.

- Our April Faculty meeting will be held on Wednesday, April 9th due to an important diocesan meeting that both Mrs. Malinconico and I must attend. Therefore, April 2nd will be a full day of school and April 9th the school will close at noon.
- School will close for Easter vacation at noon on April 17th, Holy Thursday rather than at noon the day before. Therefore there will be a full day of school on Wednesday, April 16th. This is to accommodate an extra vacation day at Christmas time.

Have a wonderful weekend and think warm weather!

Sincerely,

Mrs. Patricia Graham

Dear Parents,

This letter is to address two important issues.

- First, I want to thank all of you who volunteer extra time whenever you are needed at St. Stan's and to let you know how very much it is appreciated. I also thank all those parents who ensure that they are fulfilling their work bond responsibilities by showing up for lunch duty on the day they are scheduled and on time, and those who take their commitment to work bingo seriously. You are performing an important service to the school when you do so by helping our school to run smoothly and by helping to generate the monies needed through bingo to augment our school budget.

Unfortunately, some parents are either forgetting to meet these responsibilities or not taking them seriously as part of their work bond. One other issue with bingo is that some volunteers, while coming for their duty, are showing up late. If you are working Thursday you must be here no later than 6:00PM and on Sunday, no later than 12:00 noon. If you work and cannot be here by the assigned time on Thursday, then you should consider scheduling **only Sunday bingos**. All of the above have caused extremely difficult situations for other volunteers involved and are not fair to them. Therefore, I am implementing the policy which states that if you fail to get a replacement when you are unable to fulfill your bingo commitment, or if in an emergency you fail to contact Ms. Christine Trawinski at 732-996-0404, you must schedule two additional bingos in the near future. In regard to working lunch duty, it is your responsibility to find a replacement.

- Second, I want to follow up on the communication concerning the roof leaks. The roof has been found to be structurally sound, however, we must wait for fairer weather to determine how the various leakage can be repaired. Please know that all leaks in the classrooms have been addressed and the tiles repaired and resealed. We continue to hope for good weather so that our team of experts can determine the next step. Thank you for your patience.

Best regards,

Mrs. Patricia Graham
