"Creativity requires the courage to let go of certainties." Erich Fromm

May 28, 2015

Dear Families:

Certainty is familiar and comfortable. When we let go of certainties, we not only become creative, we open ourselves up to a multitude of possibilities. As the year winds down, we will be confronted with much uncertainty. What will the summer have in store for us? How will my child occupy his or her days? Will the summer work assigned be difficult? What will the next grade be like? Will my child and the new teacher work well together? These are just a few of the uncertainties that await us in the coming weeks. Uncertainty can be uncomfortable, it means change and that can lead to nervousness and sometimes fear of the unknown. As we enter these ending days of school and the beginning of the summer months, I challenge you to let go of the certainties you have become accustomed to and embrace the changes that are coming and discover the joy and creativity that will be the product of change.

These last two weeks of school are busy ones. On June 3<sup>rd</sup> at 9:00AM our preschool will have their graduation celebration; on that same day at 7:00PM it will be kindergartens turn to celebrate! On Friday, June 5<sup>th</sup> the 9:00 AM mass will be our eighth grade Baccalaureate Mass at that evening we will celebrate the class of 2015's graduation. The last week of school will have all full days except Friday, June 12<sup>th</sup> which will be our moving up day and a 12 noon dismissal with no after care. June 11<sup>th</sup> will be the last day of school for non-returning students and report cards will be distributed. Remember to have all students wear gym uniforms for our school clean up day which will be Tuesday, June 9<sup>th</sup>.

I hope as the warm days of summer approach you are filled with the joy and excitement this time of year can bring.

In His Peace,

Elena Malinconico
