"Do not plan for ventures before finishing what's at hand."

May 3, 2018

Dear St. Stan's Families:

What a simple quote; but at this time of year, a difficult one for all of us to wrap our heads around and adhere to. Students anxiously await graduation and summer vacation, families are in the throws of making vacation plans and teachers are waiting to grade those final papers; yet let's remember we have almost six weeks of school ahead of us!

This weekend St. Stan's parish will be abuzz with our second graders receiving First Communion on Saturday, followed by Bishop Checchio celebrating Mass at 5pm. On Sunday, the May Crowning of Mary will take place at 9:00am Mass. Please keep all the second graders, who will be receiving their first communion, in your prayers on this most special day. I also encourage you to attend 5pm Mass on Saturday and have the opportunity to join the Bishop in the celebration of Mass. I am very certain you will not be disappointed by his homily and the warmth he exudes!

Our new morning routine seems to be working very well. The security of our building has certainly been increased! Please remember if you are here before 7:30am you need to bring your child to the after care door at the rear of the school.

On May 18th we will be having our annual Field Day (the rain date is May 21st). This is an exciting and fun filled day. I am going to begin reminding you to make sure your child has sun block applied for the day and I strongly suggest bug spray since we are expecting a very insect repellent as we are being warned of a very busy tick season this year. More information to follow!!

In His Peace
