"Take the first step in faith. You don't have to see the whole staircase, just take the first step."

August 28, 2019

Dear St. Stans' Families:

Martin Luther King Jr. spoke these words; and how fitting are they as we start this new school year! That first step we take each year is so important on our journey; the teachers of St. Stans and I are ready to help with that and all the steps that follow on the staircase through this year of growth; growth in knowledge, growth in body, and growth in love of God.

There are some administrative items you should be cognizant of so that we can start the year off with all the information we need.

1. Please make sure you set up a Honeywell account. Important school information is conveyed via Honeywell including school closings, emergency information, and upcoming events. If you have any difficulty in setting up an account, please contact the office.
2. After care is available. In order for your child to participate we must have the aftercare contact information completed and turned in. The form can be found on our website.
3. There have been significant changes in the Parent/Student Handbook and the Technology usage policy; both are located on the website. Please review both and sign the acknowledgments in this white envelope and return it to school no later than September 6th.
4. Additionally, it is so important that we have your emergency forms completed and returned to us by September 6th as well. The emergency form is a hot pink piece of paper in this envelope.

There is a plethora of information in this white envelope about upcoming events, work bond and general school information. I ask that you please review it carefully so you are aware of all things for this new year. I am looking forward to the joys and challenges we will face this year and I am delighted to have my St. Stans' family reunited after our time apart.

In His Peace,

Elena Malinconico
Principal

Dear Families,

Big changes are coming to the Box Tops for Education Program, and you're the first to know!

Over the summer, you'll begin to see some participating brands change their packaging from the traditional Box Tops clip to the new Box Tops label.

SEE THIS...
CLIP IT

SEE THIS...
SCAN YOUR RECEIPT

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team is hard at work building a NEW-and-improved, user-friendly Box Tops mobile app that will be ready this summer.

The new app will feature state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

WHEN THE NEW APP LAUNCHES, BE SURE TO DOWNLOAD IT OR UPDATE YOUR EXISTING APP:

As we mentioned above, some brands have already started to update their packaging in advance. Until the new app launches, if you see the new Box Tops label on packages, you can use the current Box Tops Bonus App to earn Box Tops for that product. Simply download the app, select the bonus offer for the product you've purchased and scan your receipt to earn.

If you still have traditional Box Tops clips at home, be sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, once the new app launches, you can "double dip" during the packaging transition by clipping the traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
