"I can't change the direction of the wind, but I can adjust my sails to always reach my destination."

October 17, 2019

Dear St. Stans' Families:

Each year we set out on a course with our students, and as good teachers we must always be ready to adjust our sails to reach that prescribed destination with our students. As our students complete their MAP testing this week, we will take a look at the data and make the necessary adjustments to reach our destination. On Thursday, October 24th school will be closed, so our teachers can attend a professional development on how to analyze the data for each of our students.

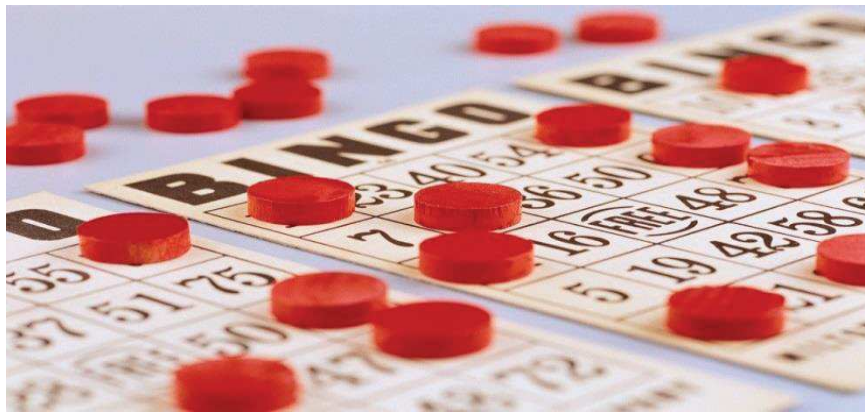

On Wednesday, October 23rd we will have an out of uniform day. All out of uniform guidelines apply and we will be wearing red to celebrate some school spirit. This is an optional dress down day and the cost is \$3.00 per student if they choose to participate.

Please review the contents of this white envelope for information on our school cleanup program. Also, please note that Friday, October 18th is our Coach Bingo fundraiser. There are still tickets available. We hope you are able to join us, as this is one of our largest fundraisers of the year and a very fun event to be part of.

As always, my prayers are with you and my door is always open if you need anything.

In His Peace,

Elena Malinconico
Principal

Thank you for the responses for volunteers to work our Coach Bingo/Tricky Tray on Friday, October 18th. The following parents have been assigned to work. Please remember that you must be at school at 5:00PM sharp.

When you report that evening you will be given your assignment. (raffle ticket sales, kitchen, 50/50, cleanup, etc...)

This event will fulfill your **“other”** shift for your work bond.

Please contact Gina Rispoli at (732) 277-2552 if you have any questions or concerns. If you filled out a form and your name is not on the list, please contact me. If something has changed and you cannot work please contact me immediately.

Bi- Annual School Cleanup

Each year, St. Stans School joins forces with Sayreville's environmental department in a fundraiser and community cleanup. Our students spend 20 minutes during the day cleaning up our school grounds and we are the recipient of monetary grant for our school. It is a win/win for the environment and our school. Our fall clean up will be held on Monday, October 28th. On this day all students should come to school in their gym uniforms. In case of rain, our rain date will be November 4th. If we will be utilizing our rain date you will receive a Honeywell and students should come to school in their regular uniforms.

Remember to wear your gym uniform on October 28th!!!!!!
