

Attention parents!

An error was made on the October HSA update in regards to work bond. We replaced the traditional calendar raffle with the new “gadgets and gift cards” raffle. The raffle price is \$25 per ticket NOT \$20 as misstated in the update. My apologies for any inconvenience. The good news is we eliminated the color run fee (\$50) so families are still paying lower than originally agreed upon when you signed your work bond commitment agreement at enrollment. Please see the flyer attached for more detailed info on the G&G raffle which is now a work bond requirement.

Thank you.

→**OLD REQUIREMENT:**

\$20 Calendar Raffle Purchase

→**NEW REQUIREMENT:**

\$25 GIFT CARDS & GADGETS (G&G) RAFFLE PURCHASE

→**Elimination of Color Run \$50**

I want to clarify a few things... To be clear we give every single family in our school the same information at the same exact time. There is absolutely no favoritism given to one family over another family. Signup.com messages and emails sent from the office are all blasted out at the same time. Please check to make sure you are, in fact, receiving both forms of communication.

Additionally, besides the above mentioned lines of communication I create a monthly HSA newsletter that is blasted out individually, included in the weekly white envelopes, and posted on the website. Every single fundraiser, work bond opportunity, and other important information is included in that - please read it.

The HSA is truly thrilled to have so many new families with the school this year. Communication is key so if any issues or problems arise, please contact one of us directly (our names/emails are also located on the website). Please also keep in mind that we are parent volunteers. We are here to provide amazing activities for the children and believe in the future of the school.

Thanks to all those who came out on Friday to support and/or work Coach Bingo! It was our most successful event yet and we will provide profit numbers once all items are accounted for. We hope to see you at the Bazaar meeting tomorrow at 7pm via zoom. The link can be found on signup.com as well as in the weekly white envelope.
