"If we have no peace, it is because we have forgotten that we belong to each other." Mother Teresa

May 14, 2015

Dear Families:

One of the most wonderful things about coming to work at St. Stanislaus Kostka School is the knowledge that we do all belong to one another. I often have a difficult time, when speaking to people, distinguishing between my own daughters and my school children! This year has proven to be an exceptionally peaceful year inside our walls and that is, in part, a result of the virtues we practice each and every day.

As the year winds down, we are all excited about field day tomorrow. A pizza lunch will be served by the HSA; if your child does not eat pizza please be sure to send a lunch into school with him/her. Please be sure that students come to school wearing sun block and bug spray so everyone can enjoy the day. This week our drama club wowed us with their performance and next Tuesday, our Partisi music students will undoubtedly do the same. I hope you will come and enjoy their musical stylings! This is a reminder that next Friday is a 12 noon dismissal, maybe you can begin your Memorial Day weekend a tiny bit early. The week of May 26th will be 8th grade exams and grades four through seven will have exams the following week. It is so hard to believe we are already at this point.

Finally, another quick reminder that Father Ken's birthday is at the end of May. I am asking families to send whatever donation they are comfortable with towards his present. As I have said before no other pastor shows the support he does for a school. My prayers always include each of you.

In His Peace,

Elena Malinconico
Principal
