"To make one good action succeed another, is the perfection of goodness." Ali ibn Abi Talib

March 3, 2016

Dear St. Stan's Families:

When one good deed inspires another it allows us to live the life in the image of Jesus. Daily, I see goodness in the classrooms, halls and cafeterias of our school inspired simply by the desire to be good and not motivated by any other reward. This is inspiring in and of itself and makes this a joyous place to spend the day.

Our Family Literacy Night was an amazing success on Wednesday. There were so many exciting, fun activities that we hope inspired children in their love of reading. I would like to acknowledge our faculty who all volunteered their time and energy to make this event a success. I hope those who attended spread the word about the fun that was had at this event. We hope that we continue this event next year with an even larger turnout.

We are currently in the midst of a food drive for the Middlesex County Food Pantry. Information was sent home last week. Please support this charitable endeavor with donations of non perishable foods. Tomorrow, the school will celebrate 9:00 am Mass together and the remaining Fridays of March we will attend Stations of the Cross at 9:00 am. Finally, this is a reminder that the day before our Easter break begins is a FULL day but there is no aftercare available that day.

In His Peace,

Elena Malinconico  
Principal
