"Trust yourself. Create the kind of self that you will be happy to live with all your life. Make the most of yourself by fanning the tiny, inner sparks of possibility into flames of achievement."

February 22, 2018

Dear St. Stan's Families:

Welcome back from winter break and to the long haul towards Easter. As we enter this Lenten season, our children will be preparing through prayer (by attending Stations of the Cross each Friday) sacrifice (as they choose what to do or give up themselves) and finally alms giving. Enclosed in today's white envelope you will find a letter about project Rice Bowl and where our donations will go. The due date back for the money/rice bowls is March 23, 2018.

Today, our middle school students were part of an assembly by the Sayreville police department on cyber-bullying and internet safety. This assembly was very informative especially in defining actual laws that can affect our students and their use of the internet.

I wish I could say that flu season is over but it is not! In an effort to keep everyone safe, please keep your child home until they are fever free, vomit, diarrhea free and all other symptom free for 24 hours. We have found students coming back too soon and not feeling well enough to work up to their ability and they are also spreading the virus or flu to other students. Spring is near so hopefully the end of flu season is as well!

Finally, Friday, March 9<sup>th</sup> will be spring picture day. Students are asked to **dress up** for pictures that day. There is no cost to sit for the photos and you can decide once you see them if you want to order them. Lifetouch believes the photos will be ready by Easter.

As always, if you have a question, comment or concern please do not hesitate contacting me.

In His Peace,

Elena Malinconico  
Principal
