"Yesterday, I was clever, so I wanted to change the world. Today I am wise so I am changing myself."

May 31, 2018

Dear St. Stan's Families:

In just about a week (June 8) our eighth grade graduating class is leaving the safety of our little nest and they will be off to attempt to change the world. I hope they keep in mind that they should be wise and change themselves and they will see how the world begins to take on the shape and qualities they wish for.

As we approach our final days of school, I want to remind all parents that if your child(ren) are not re-registered, their last day of school will be June 13th. Moving up day is for re-registered students. If you may still be interested in re-registering please call the office so we can make arrangements with you. If you are leaving us, please contact the office with the name of your student(s) new school so we can begin the paperwork process for transferring records.

We will be rescheduling the ice cream social scheduled for June 11 to back to school time in September. Also, please note some other important dates and information.

- June 11 St. Jude's T- Shirt day for those who earned them during our Math- a- thon
- June 12 All students come in your gym uniform for our spring cleanup program
- June 13 Early dismissal- ALL STUDENTS
9am Preschool graduation in gym
7pm Kindergarten graduation in gym

I am amazed another year is almost complete. Some days the time drags but each year flies by!

In His Peace,

Elena Malinconico, Principal
