"The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice."
Brian Herbert

September 14, 2017

Dear St. Stan's Families:

It was a delight to spend time with so many of you on Tuesday evening at Back to School Night. I hope you found the evening comfortable and informative. The partnership between home and school is probably the most important one in education. Our teachers are anxious to work with you and my door is always open as well.

Next week has a few key events you should be aware of; there is still time for you and/or your child to join us on our trip to Italy in the spring. There will be an informational meeting in the cafeteria on Tuesday, September 19th at 6:30pm we hope you can join us! Bishop Checchio, of our diocese, will be here on Wednesday, September 20th to celebrate the sacrament of Confirmation at 7pm. Please keep the young men and women who are being confirmed in your prayers. On Thursday it is individual picture day!

Also, please keep in mind that September 27th at 7pm the HSA will be hosting a new parent meeting in the cafeteria and will be able to answer all your questions in reference to work bond. Friday, September 29th is an early dismissal day.

A final note, please make every effort to send a note in with your child in reference to changes in dismissals. The office has been receiving an inordinate amount of phone calls changing dismissals, which requires us to call in and interrupt classes repeatedly. I ask that the only calls made for such changes are true emergencies.

Each of you remains in my prayers and should you need any assistance or have any questions my door is always open.

In His Peace,

Elena Malinconico, Principal
