Dear St. Stans' Families:

While sitting in the third grade class this week, I heard a student tell his teacher 'if you are not making mistakes you are not learning.' This is a mantra in this classroom and throughout our building. Students are guided to understand that mistakes are the path to growth and that when you make a mistake you need to pick yourself up and move forward. In a society where we are so used to instant gratification, this tenacity is a truly difficult lesson to learn.

Next week we have a very busy week, so I want to review what we have planned:

October 29th (As long as it is not raining) we will have our School Cleanup program. All students are asked to wear gym uniforms that day.

October 30th Grades 3 through 8 will be going to confessions

October 31st Is our Halloween celebrations, middle school will celebrate with a party in the church basement and grades preschool through fifth will have their annual parade as well as a dance party. Please review the guidelines I sent out in my letter last week.

November 1st and 2nd - We will be attending 9am Mass for All Saints Day and First Friday.

Also, a reminder that the first marking period will be ending on November 9th and parent teacher conferences will be held on November 15th 1:00pm to 4:00pm and 5:00pm to 7:00 pm and Friday the 16th from 1:00pm to 3:00pm, more information will follow.

In His Peace,
