Excellence in Education in a Catholic Environment

September 12, 2013

Dear Parents,

We have now completed a week of school and the children are busy working at their studies. The little ones are trying so hard to learn to share their things and walk in straight lines and our older students are acclimating themselves to their new teachers and more difficult courses of study. A positive attitude is sweeping through our school as each class is planning what its social justice project will be this year. These will be revealed after our October 4th First Friday mass so please join us at that time.

We ask that you also schedule **St. Stan's Back to School Night** on your calendars next Wednesday, September 18th at 7:00pm. At this time you will be given your password to our new on-line system, **Power School**, which is very user friendly and will enable you to see your children's grades as soon as they are posted. Mrs. Florczak, our new technology teacher, will give a short presentation that evening explaining how to use the system. You will also learn about **Honeywell**, our new emergency alert system which will be available shortly.

As soon as the main meeting which will be held in the cafeteria is over, parents with children in grades K-5 will meet with their children's teachers in their classrooms. In order to accommodate families having more than one child in the school, these teachers will be holding 2 identical 15 minute presentations about grade work and expectations. The middle school parents will remain in the cafeteria for a joint presentation by the middle school faculty and then may attend the second presentation by the lower grade teachers, if needed.

Please remember that next Monday begins our **Book Fair**. Books will be available for purchase by the students in the main hallway outside the office. Parents are encouraged to browse and purchase books as possible Christmas gifts or to enrich their children's home libraries.

Enjoy these last few days of summer weather as autumn is almost upon us. Thank you for choosing St. Stan's and a Catholic school education and for sharing your beautiful children with us. May God continue to hold all of us in the palm of His hand.

Sincerely,

Mrs. Patricia Graham

CUB SCOUTING TEACHES...

- Confidence, through recognition by adults
- Belonging, by building relationships with other boys
- The value of family, by fostering quality family time to strengthen the bond between parent and child
- Social skills, through interacting with other people
- Moral and ethical decision making, by instilling essential values
- Leadership skills, through leading other boys
- Citizenship, by teaching him how to be a responsible community member.

GRADE 1—TIGER CUBS: Boys and adult partners work on projects together with other Tiger Cubs and adults. Generally, den meetings are held twice monthly in addition to a monthly Pack meeting.

GRADES 2 & 3—WOLF & BEAR CUBS: Boys work on achievements both with their families and in their dens. Generally, den meetings are held weekly and there is a monthly Pack meeting.

GRADES 4 & 5 WEBELOS: These older Cub Scouts prepare to become Boy Scouts through a more challenging program. Pack meeting ceremonies recognize the boys for their achievements in areas like citizenship, sports, crafts and outdoor skills.

ST. STAN'S H.S.A.

September 10, 2013

Dear Parents,

Our first major fundraiser for this school year will take place on Friday, October 18th. That evening, we are having our 1st Annual Coach Bingo/Tricky Tray and we welcome you to come out and play! If you need tickets please stop by the Parish Office or you can contact Gina Rispoli at 732-432-8361.

With every fundraiser we also need volunteers. We will need about 15-20 people to work the Coach Bingo that evening. The shift will start at 5:30 sharp and end at approximately 11:PM. This will count as 2 "other" shifts for workbond. Please understand that if you are buying a ticket to attend the Bingo then you cannot work the event. There will be other opportunities during the school year to fulfill your "other" workbond commitment such as Christmas Bazaar set-up/clean-up, Mother's Day breakfast, etc...

If you are interested in working please send back the bottom portion of this form to the attention of Gina Rispoli c/o Gillian Rispoli 6th grade. We will assign the first 15-20 people that respond and you will be contacted prior to the event. If you do not hear back from the HSA then please do not report to work Bingo that evening.

Thank you for your support and we hope to have a very successful fundraiser and school year!
