"The best way to find yourself is to lose yourself in the service of others." Mahatma Gandhi

April 24, 2015

Dear Families:

Spring is a time of rebirth; and it can be seen in our students as they show a renewed energy and dedication to learning. For those of you who had the opportunity to attend the science fair, it was obvious that students took the opportunity to delve deep into their topic as they applied the scientific method to their experiments. I always swell with pride when I hear how well spoken our students are and comfortable they are with public speaking. This is just one example of how we work to have our students leave here well rounded.

Next week we celebrate a very exciting event in our school year...the first Communion of our second grade students. I ask that the entire school community keep these children in our prayers as they are able to grow even closer to our Lord, Jesus Christ.

Please be advised that on Friday, May 1, 2015 students may begin wearing spring uniforms. Please refer to the handbook for specifics. You will find coupons in your white envelope announcing several open houses in May. Please distribute them to friends and family that may have an interest in attending our school. As the year comes to an end there are so many events that will be happening and we would love if you were part of all of them. Please look for information in the coming weeks about field day, graduation, and the Mother and Father of the Year celebration to name a few. As always, I keep you in my prayers.

In His Peace,

Elena Malinconico  
Principal

Dear Parents:

The Home School Association (H.S.A.) is the lifeblood of our school. The hard work and dedication of the executive board and membership, enables the students of this school to take part in amazing activities and receive a top notch education.

The H.S.A. is always looking for volunteers to work on the executive board. Each year we look to parents to volunteer their time and talents to the executive board. If you are interested in being part of the executive board, I ask that you sign up below, return it the office and a member of the board will contact you.

Thank you for considering this.

Sincerely,

Elena Malinconico

Principal

Re: Nursing Services: Chapter226-Laws of 1991

Existing legislation provides certain nursing services and funding for full-time students in private schools. Included in these services, based on available state aid, is maintenance of student health records, hearing assessment, eyesight screening, and scoliosis screening. In addition, your child will receive emergency nursing services for any **school-related** illness or injury.

**Please read, check, and sign completed form with date as soon as possible.**

To All Parents/Guardians:

From: Mrs. Kenny School Nurse

Please read the following medications policy and sign. On the reverse side fill out your child's medical history and return the first day of school in September. Have a great summer!

### MEDICATION GUIDELINES AND PROCEDURES:

School nurses are not permitted to dispense medication without a doctor's written permission. A doctor may prescribe medication that can be given to a student during school hours. Only those medications that meet the student's health needs for a specific period of time may be given during school day.

### GUIDELINES FOR ADMINISTERING MEDICATIONS IN SCHOOL

Only written orders from doctors are acceptable. They should include beginning date, discontinuation dates, and diagnosis of the disease medication is for. If the medication is to be given on a continuing basis, a doctor's note must be provided at the beginning of each school year. A written note from parents/guardians also is required when any medication is to be given by the nurse.

All medication must be in pharmacy labeled containers with the student's name, medicine identification, dosage, time to be given and dates. The doctor's and pharmacy's telephone numbers are needed in case there are unanticipated side effects.

All NON-PRESCRIPTION DRUGS ARE TO BE HANDLES IN THE SAME MANNER AS PRESCRIBED DRUGS. Therefore, the nurse will administer drugs such as Aspirin, Tylenol, Antihistamines, or Non-prescription cough syrup only upon receipt of written notes from the Doctor and parent/guardian. A labeled bottle of the over-the-counter medication also must be provided.

Parents/ Guardians should bring the medication to the school office (give to the secretary/nurse) along with notes from the doctor and themselves.

I have read the following policy: \_\_\_\_\_
