The only thing that will redeem mankind is cooperation.

Bertrand Russell

January 7, 2016

Dear St. Stan's Families:

Welcome back! I hope 2016 is filled with love, health, happiness, peace and cooperation. Education is a cooperative effort; in the classrooms students need to work with one another, teachers collaborate with one another and the cooperation between school and home is vital to the overall success of every child. We have a January filled with many activities and events. During the week of January 18 our school will be closed on Monday for Martin Luther King Jr. Day and when we return grades four through eight will have their midterm exams.

On Sunday, January 24th we begin our celebration of Catholic Schools' Week. Registrations will begin that week and I encourage every family to think of a friend or another family member that could benefit from being part of the St. Stan's School community and invite them to come and see what we are about. Catholic Schools' Week will include many events including open houses, HSA meeting, an art show, our living wax museum, sports day, and our second graders receiving their first penance, to name a few things. We hope you will be able to be part of some if not all of these events. The second marking period closes on January 22nd and report cards will be sent home with your child on Thursday, January 28th. The Parent portal of Power School will close on January 21st and not reopen until January 29th.

Finally, tomorrow you will be receiving a letter from me in reference to contact the governor and legislators to increase funding for non public school transportation. Catholic schools depend on busing to keep us alive and vibrant, I ask that each family send emails or call government officials to help increase the ceiling for nonpublic transportation which as remained stagnant since 2008. The low funding hinders bus companies from providing busing for our students. Your child may not take a bus but many of our students do and should funding not increase it will put busing for our community members in jeopardy. Please review the information being sent tomorrow so that you can help in our campaign. As always my prayers are with each of you.

In His Peace,

Elena Malinconico
