"Education is not preparation for life; education is life itself." John Dewey

April 6, 2017

Dear St. Stan's Families:

As we end our Terra Nova testing and approach the rapid decline of the school year, it is our great hope that students will embrace learning and education as a fundamental component of their lives. I want to remind everyone that next Thursday, April 13, 2017 will be a half day WITH aftercare. Our Easter break ends with our return to school on April 24<sup>th</sup>. Please mark your calendars on April 26<sup>th</sup> where we will have a HSA meeting, our science fair and third grade wax museum beginning at 7pm. Also, remember that our preschool through 4<sup>th</sup> grade hoedown is that Friday April 28<sup>th</sup>.

I am pleased to announce that we surpassed our St. Jude Math a Thon goal with a total donation of \$5885.00!!! What an amazing testament to this school's generosity. Two reminders Lenten mite box donations need to be returned tomorrow April 7<sup>th</sup> to your child's homeroom teacher; and our collection for the Ozanam homeless shelter continues until next Wednesday April 12<sup>th</sup>.

Report cards for the third marking period will be distributed today to all students. Please sign and return the brown envelope. You may keep the actual report card. Our awards ceremony will be held during opening exercises on Friday, April 7<sup>th</sup>.

One final note, we had an incredibly successful re-registration. There is some room still available in some of our classes, so if you know anyone interested in attending our school please have them call to set up a tour.

Sincerely,

Elena Malinconico  
Principal
