Dear St. Stan's Families:

Each day, we encourage our students to be the best version of themselves. We know the world pushes and pulls all of us into different directions and encourages us to not follow our heart and soul, not only do we encourage our children being themselves but we celebrate the many great differences that make each of us unique and make this world a fascinating place to be.

It is hard to believe that there are a mere three weeks left to school and so much is jammed in to the coming weeks. Please see the enclosed flyer about our Rita's Ice night this evening. A portion of the profits will be donated to St. Stan's School. I hope you, your family and friends can find time to stop by and enjoy this event. Tomorrow is field day. Our field days historically are so much fun. Students should come to school in their gym uniforms. I would also strongly suggest sun block and insect repellent since this has been a particularly bad tick season. The HSA will be providing lunch for the students. They will be serving hamburgers, hot dogs and ice cream. If your child will not eat this please send them in with a lunch.

Our eighth graders are certainly in the homestretch. Next week they will be taking their final exams and we wish them the best of luck. Next week we will also celebrate the Feast of the Ascension on Thursday, May 25, 2017. This Mass is very special to us since it is the first time our second graders will receive communion with the school community. They also wear their first communion garb. I hope you can join us for 9am Mass.

We are still accepting donations towards Father Ken's birthday gift. He does so much for our school and we would like the opportunity to celebrate with him. There is no fixed amount just what you are comfortable donating. Finally, just a reminder that Friday, May 26, 2017 is a 12 noon dismissal and there will be after care.

In His Peace,

Elena Malinconico, Principal
