"Shoot for the moon, even if you miss you will land among the stars."

September 21, 2017

Dear St. Stan's Families:

Setting high standards for independence, learning, and behavior is something that our entire faculty does with each of our students daily. The belief that you can achieve anything that you work at is half the battle, a positive self fulfilling prophecy helps you land on the moon or at the very least among the stars.

Another busy week is drawing to an end. I want to wish last year's graduates a warm congratulations on being confirmed by Bishop Checchio on Wednesday evening. Also this week, our students have put on their biggest smiles for picture day!! There will continue to be adjustments made in our instrumental music program over the next couple of weeks. We will send out a final schedule as soon as we have one. If your child's lesson is after school hours they will be allowed to wait in after care before the lesson at no charge. Your child should be picked up in after care at the conclusion of the lesson. If your child remains in aftercare after the lesson is completed; you will be charged for that time in aftercare.

On Wednesday, September 27th all new families are asked to join us in the cafeteria at 7:00pm so that the Home School Association (HSA) can review the work bond program and I can answer any general questions you may have. Finally, please remember that Friday, September 29th is an early dismissal at 11:50am. If you have any questions or concerns please never hesitate to stop and see me or reach out via telephone or email.

You all remain in my prayers,

Elena Malinconico
Principal

Dear Parents,

Each month, on the first Wednesday, the Eighth Grade Class hosts a snack sale. Our first snack sale will take place on October 4th. Below is a price list so that you will have an idea of what is available. Please know that not everything on the list is always available at every sale. If you would like to have your child participate, please send their money in an envelope with their name on it.

Thank you in advance for supporting our Eighth Grade!
