Dear St. Stan's Families:

As we come to the end of the second marking period, we are surrounded by so many butterflies in our midst. During this second marking period 48% of our students experienced growth in one or more content areas. That is amazing!

Also amazing, would be our Catholic Schools Week this year. Our students had so much fun participating in a wide variety of events, our second graders will receive First Penance this evening, and we gave more tours to prospective families than during any other Catholic Schools week in over 12 years! I encourage all of our families to continue to recommend our hidden gem of a school to neighbors, friends and families. We will arrange tours any time and we invite students to spend sometime in our classrooms to see what it is like to attend our school.

As we enter February, I remind you to make sure that your Honeywell information is up to date since this is how we make school closing and delay information. Also, there are a few early dismissal days this month so please refer to your school calendar.

In His Peace,

Elena Malinconico
Principal
