"I am always doing that which I cannot do, in order that I may learn to do it."

February 20, 2020

Dear St. Stans' Families:

Perseverance is a skill that is so important to learning new things. As a society, we tend to shy away from things that are hard to do or we may fail at; but when you do what you cannot and fail, you are one step closer to success in learning that skill. Perseverance is a characteristic that benefits us all through our lives and it is one we seek to instill in our students daily. Productive struggle leads to learning.

As February begins to wind down, I am so proud to report that our students and families continue to be so generous to those in need. The school has raised \$326.00 to go towards the koalas who were affected by the wildfires in Australia. We collected over 250 gently used books to be donated to the Bridges of Books Foundation for children who do not have access to reading material. Finally, our Polar Bear plungers earned \$1300.00 that is going directly to our school to benefit our students. I urge you to stay on the lookout in 2021 because we plan on going even bigger with the Ancient Order of Hibernians Polar Plunge to benefit our school.

Next week we enter the season of preparation for Easter, as Lent begins on Wednesday, February 26th. All children are welcome to receive ashes whether or not they are Catholic. The decision is up to parents. Please let your homeroom teacher know your decision. This time of year helps us grow closer to our Lord through almsgiving, service to others, prayer and fasting. I will be sending out information about some of our Lenten programs in the next two weeks.

There has been a change in our proposed calendar. Teachers will be attending a spirituality day on Friday, April 24th. Students will have the day off. The out of uniform day scheduled to take place on that day will be moved to Thursday April 30th and my lunch with the 8th grade will be changed to Wednesday, April 29th.

As always, I welcome your questions and concerns anytime.

In His Peace,

Elena Malinconico
Principal

Oh, the places you will go....just read a book

Young Rembrandts

Saint Stanislaus Kostka School Elementary Drawing Grades 1 - 8

Its spring time and that can mean only one thing: **SPRINGTIME DRAWING WITH YOUNG REMBRANDTS!** If your children are baseball fans, they will love our baseball still life lesson. Learning about warm colors and cool colors will be the focus as our artists draw a detailed exterior of a house. We'll also learn about legendary artist Edward Hopper as we recreate one of his masterpieces. Finally, we'll take an imaginary trip to Japan and learn about the artistry of the kimono. Sign up for classes today!

Read·A·Thon®

This year, we are excited to announce that we will hold our second annual Read-a-thon fundraiser. Our Read-a-thon is a program that brings students together with family and friends to encourage reading and to build literacy skills. The Read-a-thon promises to be a fun, exciting journey for all participants as they begin a personal Reading Adventure that challenges each reader to complete 10 reading sessions in school over our 2-week event. Our Read-a-thon will start on Monday, March 2nd.

Recently, students brought home a sheet outlining how to activate their personal Read-a-Thon page. If your child has not done so already, please be sure they activate their page prior to our March 2nd start date. By simply activating your reader's personal page and using the promotional tools found there, friends and family anywhere in the world can show their support for your reader by making a donation to our Read-a-thon. Your involvement in the Read-a-thon will help your child develop a lasting love of reading!
