AFTERCARE FAMILIES

In preparing for the last couple weeks of school, we are asking families that utilize the aftercare program to pre-pay for the last 2 weeks of school (June 1-10). This will help ensure billing is paid for upfront. While we do know that emergencies can come up, if you are a family that doesn't utilize the aftercare program normally, you will be sent home with a bill when you pick up your child. That bill will need to be paid the next day of school.

For families that pre-pay and don't use up all of their payment, you will either be reimbursed for what you didn't use or have a credit towards the next school year.

Please send in pre-payment to the school office for June 1-10 no later than Thursday, May 27th. Thank you.

May's billing invoice will go home with your child on Tuesday, June 1st and must be paid in full no later than Friday, June 4th.

Dear Friends,

All it takes is one person to make a difference in a rescue dog's life. Today, that person is you. Thank you for your generous, fully tax-deductible donation of \$230.00 to Finding Shelter Animal Rescue. Your continued support makes it possible for us to provide exceptional care to animals awaiting their forever homes, especially dogs like Hope!

Hope is an incredibly special case. She was sold at only four weeks of age. Two weeks later the person who bought her recognized that she was sick and had behavior issues due to being unsocialized. Hope was then surrendered to a shelter that contacted Finding Shelter for help. Because Hope suffers from seizures, she needed emergency hospitalization, an MRI, spinal tap, and blood work. She needs further medical care and medications to control her seizures but is showing some improvement. We will not give up on Hope. She is pain free, adjusting to her medications appropriately and starting to learn how to be a puppy. She is a work in progress.

New dogs come to us throughout the year from various places and the dogs in our care receive the absolute best care we can provide. Donations from partners like you enable us to help all year long. A happy, healthy dog has a better chance of being adopted. Thanks to you, many of our animals will be welcomed into their new homes in the coming months. On behalf of Hope and everyone at Finding Shelter, thank you so much for your support. We could not do our work without you.

Warm, personal regards,

Linda Schatzle,
Co-founder and Secretary
