Dear Parents/Guardians,

June 15, 2022

In preparation to make a smooth transition into next year, I would like to give everyone an advanced notice of the novels our class will be reading. The goal is to read one novel per Marking Period. Please pay close attention to the dates that we will begin each book. While these novels can be found at Barnes and Noble or the library, please keep in mind they have a limited stock. There might be a need to purchase the books online, therefore, it is very important not to wait until the last minute. I would **strongly** suggest purchasing these novels over the summer. If a student is not prepared on the day we begin, he/she will lose points on the activity connected to the lesson and earn a missing material slip. All of the novels and their start dates will be listed on the website and students will be reminded throughout the year. As we continue to move forward in literature, please be advised that some novels may contain content and subject matter for a mature audience.

All dates are subject to change based on the length of the Marking Period. Any changes will be made in advance and plenty of notice will be given.

First Marking Period:

The Giver by Lois Lowry
Start Date September 6th

Second Marking Period:

The Adventures of Sherlock Holmes by Sir Arthur Conan Doyle (Dover Thrift Edition)
Start Date November 7th

Third Marking Period:

The Wave by Todd Strasser
Start Date January 23th

Fourth Marking Period:

The Maze Runner by James Dashner
Start Date March 23th

Thank you for your continued support and cooperation!
